

**COVID-19 UPDATE
RESIDENTIAL AND AGRICULTURAL PROPERTY VISITS RESUME
AND OUR OFFICES ARE NOW OPEN**

We are pleased to advise you that from Wednesday 8th July 2020, our Professional Team will be visiting clients once again, whilst complying fully with all Government social distancing standards.

Before your appointment we will confirm that you are happy for us to visit and confirm that neither party is suffering from Coronavirus symptoms before the visit will go ahead.

Over the coming weeks we will continue to focus on fully re-opening and offering our usual full service, albeit subject to revised government and health and safety guidelines to protect both our staff and our clients.

We are sure, like us, you will welcome this news and if you have any queries, please do get in touch.

Kind regards
Jones Peckover
