We are registered as a CENTRAL RECORDING POINT and will record and give you the information you require for cross compliance, amongst other things, at no further charge.

Please be aware of the DEFRA requirements for reading ear tags. There is a disclaimer as far as JONES PECKOVER is concerned regarding tags that do not read, tags that have come out and, dare we say, sheep that are not tagged. Ultimately the VENDOR is responsible to ensure that he has 100% records to meet Cross Compliance requirements. We can only read what we can read! Please take note of the disclaimer which states "*Jones Peckover have taken all due care and diligence in reading the EID sheep tags shown in this document but will not accept any failure resulting from the tags themselves either because of tag malfunction or installation error and will not accept any financial consequences from such error. Vendors / Purchasers must satisfy themselves as to the correctness of information shown in relying upon it to meet their regulatory responsibilities*".

Please take note that we will do all we can to help you and not shirk our responsibilities. We can do no more than this.
